## 7. Presentation of the new constitution

Beck presented the proposed new constitution, it allows us to be very flexible, because it's been kept minimal.

Gary thought it was flexible and useful

Beate thought it did indeed allow flexibility

## 8. Members vote on the proposed new constitution

Beck pointed out that the world is changing so fast that we need an organisation which can respond to this.

Thure explained that we have had some difficulty considering what a member is.

Beck suggested that a member is anyone who pays a subscription.

Janet - Klezmer has some members who do not want to come to orchestra

Thure - flexible for those who can't afford, everyone should pay something

Michael proposes that he pays a pound to be a member

Thure advised payments in kind also accepted in Michael's position

Anna - we could have different categories of membership, there could be day members.

Gary - proposed that Michael has an honorary lifetime membership

Beck - as long as members can negotiate on rate due to income issues, then this should cover everything rather than different membership classes

Edmund - what is the insurance premium, what does it cover

- Point is if can't define a member, can't tell if officers are covered by insurance

Filipa - agree with subscription idea but cannot come each Sunday. Agree with flexibility.

Beck - Beck proposed item 4 change to:

The termly subscription for members will be decided by the officers and approved by members at the Annual General Meeting. Some members may pay a subscription per rehearsal. Anyone who pays a subscription is a member.

From: (Previous copy: 4. The termly subscription for members will be decided by the officers and approved by members at the Annual General Meeting.)

Mike - we are likely to have so many variations on this that we are likely to get into difficulty unless we leave it flexible

Beck proposed revised item 4.

Subscriptions for members will be decided by the officers and approved by members at the Annual General Meeting. Anyone who pays a subscription is a member.

Mercedesz - if someone doesn't come for a term and doesn't pay for that term, would they still be a member?

Beate - could there be welcome information, maybe on the website

Beck - yes this can be one the website

Thure - I archive those who are not current members, they can rejoin at any time and their profiles are recovered from the archive.

VOTING: 22 participants

## 10. Subscription rates for 2021

Thure - St Pauls currently offers a good rate, however it could increase. Thure proposes to leave the subscription at £55.

Michael - other groups charge £55, we don't have to hire music. However the hall costs may go up. Recommend leaving at £55 and giving concession.

Thure - if we end up with surplus funds we could look to buy instruments

Mike/ Michael - example tunable timpanis

Thure - we have had to buy bass drum, Michael would like a tenor drum purchased

Proposal - to keep subscription of £55 termly membership.

There were no objections and this proposal was approved.
